Latest Fashions At The Capital

BY MARGARET WADE.
With the long-delayed spring in full flower and a summer of warm weather on the horizon, all Washington society is turning to outdoor events—starting with a hand concert on the capitol steps to picnic dinner parties at Great Falls and an infinite variety of inter-club attractions.

The speaker of the house and Mrs. Gillett, in their first official entertainment since the postponement of Representative Gillett to national leadership, selected the country club as the place, and a garden party as the form of their hospitality, which was unfortunately marred by rain and the failure of a number of their guests to find the charming old mansion in time for the proffered cup of tea.

There are several country clubs northwest of Washington—the Chevy Chase, the Montgomery and the Columbia, where President Wilson used to play golf, most of them close to the public roads—but the country club which needs no further designation to socially select, is very close to town and quite accessible by motor, but almost hidden from the main traveled thoroughfares. This is the estate of the late William C. Whitney, made famous more than 30 years ago, when he was secretary of the navy to President Cleveland, and "Granddad," as it was then called, the first summer home of that day, when the president left the District to Columbia and his cabinet stayed nearby.

With a small, much-restricted membership, this country club is known only to its friends, hence many of the 70 or 80 guests invited for Sunday afternoon failed to find its well-shaded gates and returned home without enjoying the speaker's hospitality on what one of Mrs. Gillett's friends described as the "rare treat the hosts proposed giving members of congress and their wives."

Those who did arrive, however, found a cordial welcome and a handsome hostess, and an interesting if much smaller company than expected. So, after all, the tradition of smart and smart parties for this particular club was maintained.

Mrs. Gillett, who has been in mourning for the past year, wore a gown entirely in black, but extremely modish, with very short, round skirt, and high bodice, with a cluster of small white flowers placed on the breast close to the crown. The hat was a draped motif, very becoming to this new official hostess.

The Princess Margareta, Boncompagni on her first appearance at the country club for an afternoon, looked very smart at a recent afternoon in a black satin demitote with a jacket bodice finished in very deep color and cuffs of some heavy material. A black satin hat like a slightly enlarged sailor was made most distinctive by a cluster of small white flowers placed on the breast close to the crown. The hat was a draped motif, very becoming to this new official hostess.

Miss Helen Parker, who proposes passing June in Virginia, and joining her friends at Newport for midsummer according to her usual plan, looked very smart at a recent afternoon in a black satin demitote with a jacket bodice finished in very deep color and cuffs of some heavy material. A black satin hat like a slightly enlarged sailor was made most distinctive by a cluster of small white flowers placed on the breast close to the crown. SEEKS TO RESTRAIN COLLECTION OF NOTES
An injunction was asked Friday in chancery court by W. E. Moss, in which he sought to restrain the collection of notes which he alleges he gave to P. A. Cory when he purchased a piece of real estate for \$10,000. The notes are in number, and total \$600. The bill reads against Cory and the Bank of Commerce and Trust company.

Moss alleges that he gave these interest-bearing notes to cover a five-year period, but that he paid for the property within two months, and that he was unable to get his notes back because the bank now has them.

CLUBDOM

NINETEENTH CENTURY CLUB ACTS ON GARBAGE QUESTION

One of the most important matters brought up for discussion at the meeting of the Nineteenth Century club, on Wednesday, was the garbage question. The sentiment was very strong against the front street collection of garbage, in fact there was not a single woman present in favor of it, but the members voted to give Commissioner Allen a step, before taking any steps against it. It was the consensus of opinion that the garbage should be collected at night and every one of the club members who were present at the meeting, in the majority of the homes where there were no servants, the women themselves would be forced to place the garbage on the front walk, one member suggested that the problem would be very easily solved if Commissioner Allen would present his plans to the Business Men's club, which has just reached a membership of 5,000, and secure the pledge of every member to attend to the garbage in his own home.

Mrs. Tull and Commissioner Johnson, who brought out the fact that it is so easy to undertake to break through the custom of many long years and introduce a new market system. The members are heartily in favor of the new market system, plans for which originated in the club several years ago and great service to the chairman, and they pledged their hearty support.

Plans were made for a memorial to Mrs. Sara Beaumont Kennedy, Mrs. James H. Watson, a close personal friend of the late president, who made chairman of the committee to arrange for the club memorial and to instruct other organizations in raising a fund for a public memorial.

The president called attention to the great increase in membership in the last few years and it was decided to try to double the membership in the next year. This will be done through the individual members who have pledged their co-operation, but there will be no active membership campaign. A new committee will be appointed by the president to welcome new members and introduce them to the head of the departments.

Following the excellent financial report made by the chairman, Miss Mary Love, the president took occasion to compliment Miss Love on her splendid work and great service to the club.

Two special requests regarding the work for the coming year were made. One was for a special course of lectures in connection with the literature department and the other for the reorganization of the choral class. Both of these features were most helpful and enjoyable parts of the club work during Mrs. Willingham's former presidency, when the lectures given by Dr. W. H. Finckh and the beautiful concert given by the choral class under the direction of Mrs. Marie Greenwood, Warden, proved a source of much pleasure to the members and reflected much credit upon the club.

There was a very representative attendance at the meeting, which will be the last membership gathering for the season, though the board meeting will be held each month throughout the year.

League to Meet.
All Sunday school teachers and group leaders are invited to Calvary parish house on Monday afternoon at 4 o'clock to attend the interparish training class.

Mrs. Davis Taylor, of Grace church, is the leader, and Miss Nettie Barnwell, of St. Luke's church, will demonstrate the hand work.

Hermitage Chapter.
The members of Hermitage chapter, D. A. R., have been asked to meet the regent, Mrs. Deupree, promptly at 9:30 o'clock Monday morning on the southeast corner of Madison avenue and Main street to receive the flag, which will be sold on the street for the benefit of the sacrifice cross fund.

Final Meeting of Chapter.
The Braxton Bragg chapter, U. D. C., held its final meeting of the season on Thursday afternoon in the home of Mrs. J. L. Kline, on Stonewall place. The business meeting was gracefully presided over by Miss Lillie Clark, the president, who, with Miss Edith Hall, delegate from the chapter, gave an interesting report of the convention held in Jackson.

Mrs. W. C. Schwalmyer, president of the Sarah Law chapter, gave an interesting talk.

A splendid program was enjoyed after which an ice course was served.

Card Party and Dance.
The ladies of St. Bridget's parish have planned a card party and dance to be given for the benefit of St. Peter's orphanage on Tuesday evening at 8 o'clock at Edgewood park.

Mrs. Lillian Smith, Mrs. Frank Murphy, Mrs. Eugene Baker, Mrs. George Keith and Misses Mildred and Mamie Cox will be the hostesses.

D. A. R. Flag Day.
Watson chapter, D. A. R., will hold its annual Flag day celebration on Monday evening at 8 o'clock in the Newways clubroom. The public is invited.

Artistic Entertainment.
Among the most artistic entertainments of the season will be those given by pupils of Miss Florence Eiley's dancing academy on Friday evening and Saturday afternoon. Several hundred children will participate in the two programs, which are being eagerly anticipated.

On Friday evening the older pupils will appear in a festival of dances and on Saturday afternoon the tiny tots will present a fairy ballet telling the story of Hansel and Gretel.

Members of the two organizations are invited.
